Re: P.W.C. Thermal Energy Storage Project

Dear Dale,

Please find enclosed an 8 X 10 aerial photograph of the P.W.C. Thermal Energy Storage Project. This is a small "thank you" for your efforts in constructing this demanding project. The timely completion of this project would not have been possible without your cooperation and your firm's hard work and dedication. We hope to have the opportunity to work with you again in the upcoming year.

Sincerely

CROWDER CONSTRUCTION COMPANY
